

MARRAKECH COP22 | CMP12
UN CLIMATE CHANGE CONFERENCE 2016
مؤتمر الأمم المتحدة لتغير المناخ
ⵜⴰⴳⴷⴰⵏⵜ ⵏ ⵜⴰⴳⴷⴰⵏⵜ ⵏ ⵜⴰⴳⴷⴰⵏⵜ ⵏ ⵜⴰⴳⴷⴰⵏⵜ

Track 0 will be in Marrakech from **5-19 November 2016** for COP22.

We will convene a number of events with our allies and partners to catalyse climate action that fosters climate justice and a rapid transition to a net zero emissions world.

We will be supporting the work of the **Climate Vulnerable Forum (CVF)** and the **Marshall Islands delegation**, by providing support to **President Hilda Heine** of the Marshall Islands and her negotiating team throughout the conference. We will also be working closely with civil society organisations taking on legal struggles as well as helping world-renowned Marshallese activist and poet **Kathy Jetnil-Kijiner** participate in the Marrakech Conference.

Please visit track0.org for updates to our schedule.

To contact us on the ground please email: info@track0.org or tweet [@ontrack0](https://twitter.com/ontrack0)

WEEK ONE

FRIDAY 11 NOVEMBER

14:00 - 15:15

Experts Roundtable: The Role of Climate Litigation in the Post-Paris World: this roundtable discusses who is doing what in the climate litigation sphere and its role in the post-Paris world.

This is part of the Climate Law and Governance Day 2016, which is a one-day symposium bringing together key players to support and generate legal knowledge sharing and capacity building on climate law and governance.

Convenors: Track 0, Columbia University Sabin Centre for Climate Change Law and the Climate Justice Programme

Location: L'Université Privée de Marrakech, Km 13, route d'Amizmiz (Route du barrage lalla Takerkoust), 42312

Registration: open to the public subject to registration; COP22 accreditation not required.

For more information, visit: <http://www.climatelawgovernance.org/programme.html>

18:15-20:15

Turning Points: Near-term Climate Action for Pursuing 1.5C: In pursuing the 1.5C temperature goal set by the Paris Agreement, new policies will be required in the near and medium term for reaching a turning point for global greenhouse gas emissions by 2020. In this roundtable, participants will discuss climate action objectives leading to 2020 by countries and non-party actors in pursuit of the 1.5C goal. Participants will address the following topics:

- How formulation of long-term strategies toward 1.5C degrees and identifying decarbonisation / 100% RE targets can spur ambitious climate action in the near and medium term.
- What menu of options for immediate climate action is necessary to achieve 1.5C degrees.
- Implications, challenges, and opportunities of different options.

Hosts: CVF, The Stanley Foundation, CAN and CARE International

Location: CVF delegation space, Blue Zone (Ethiopia Room in Pavilion 5)

SATURDAY 12 NOVEMBER

10:00 - 17:00

Climate Law and Governance for Sustainable Development Special Event: the outcomes of the legal debates and discussions from Climate Law and Governance Day 2016. Track 0 will report back to COP 22 participants on its Experts Roundtable (see above).

Convenor: Climate Law and Governance Initiative

Location: Innovations Hall, Green Zone

Registration: requires Green Zone Accreditation

For more information, visit: <http://www.cisd.org/index.php>

18:00 - 19:30

Panel: Spotlight on Environmental Defenders: This event is in support of individuals and communities who are fighting to defend their water, land, forests, oceans and rivers against government policies and destructive industries, and to keep fossil fuels in the ground

Convenors: 350.org, Amnesty International & Track 0

Location: the Indigenous Peoples Pavilion, hosted by the International Indigenous Peoples' Forum on Climate Change

WEEK TWO

Monday - Wednesday

Low Emissions Solutions Conference: This conference will assist nations in the technical preparations of their Nationally Determined Contributions and Low Emissions Development Strategies, and is aimed at problem solving, brainstorming, and global co-creation, without inter-governmental negotiations or agreements. Track 0 will be supporting the Marshall Islands delegation.

Convenors: the Government of Morocco, co-organized with the World Business Council for Sustainable Development (WBCSD), the UN Sustainable Development Solutions Network (SDSN), and ICLEI (Local Governments for Sustainability)

Location: COP22 Blue Zone

Registration: by invitation only

For more information, visit: <http://www.lowemissions.solutions/>

MONDAY 14 NOVEMBER

13:00 - 18:00

Women Leading Solutions on the Frontlines of Climate Change: This event is a gathering of worldwide women leaders joined in solidarity to speak out against environmental and social injustice and featuring diverse solutions and strategies with which they are working to shape a healthy and equitable world. H.E, President Hilda Heine shall be presenting a keynote speech, and Marshallese poet and activist Kathy Jetnil-Kijiner will also make special poetry presentation.

Convenor: The Women's Earth and Climate Action Network (WECAN)

Location: Kenzi Farah Hotel, Avenue du Président Kennedy, Hirvinage District Marrakech 40000

For more information and open registration visit: <http://wecaninternational.org/pages/cop22>

TUESDAY 15 NOVEMBER

13:00 - 15:00

Climate Vulnerable Forum (CVF) Ministerial High-Level Meeting

H.E, President Hilda Heine will be making a keynote statement in the opening. Kathy Jetnil-Kijiner will take part in the reading of The Marrakech Communiqué of the CVF. H.E. Mr. Mattlan Zackhras, Hon. Minister in Assistance to the President of the Marshall Islands will contribute to the Troika Statements.

Location: Meeting room 5 (Area H), Blue Zone

Convenor: Ethiopia, Chair of the CVF

Registration: by invitation only to CVF Ministers & Officials

TUESDAY 15 NOVEMBER CONTINUED

18:00 - 20:00

100% Renewable Energy for 1.5°C: A diverse group of champions from governments, civil society and businesses will gather at a major COP 22 event to make the case for a transition to 100% Renewable Energy as the ethical, feasible and financially sound approach to address climate change and keep global warming below 1.5°C.

List of speakers:

Hilda Heine, President of the Marshall Islands

Shiferaw Teklemariam, Minister of Environment, Forestry and Climate Change of Ethiopia and Chair of the Climate Vulnerable Forum

Luis Felipe Arauz Cavallini, Minister of Agriculture, Costa Rica

Helen Clark, UNDP Administrator

Salaheddine Mezouar, COP 22 President

Hosts: Costa Rica, Marshall Islands, IndyACT and Track 0

Location: Room Arctic (Area E), Blue Zone

For more information contact: Lasse Bruun, lbruun@climatenetwork.org, +212 6 99 22 06 74

WEDNESDAY 16 NOVEMBER

08:30 – 20:00

Women Leaders and the Global Transformation Summit: The Kingdom of Morocco is convening this major summit of woman leaders from different sectors to show how women can be strong solution providers for sustainable development and decarbonisation. H.E President Hilda Heine shall be part of the opening plenary session.

Hosts: Under the High Patronage of His Majesty the King Mohammed VI

Location: Palmeraie Golf Palace

Registration and additional information: www.womenglobaltransformationsummit.com

THURSDAY 17 NOVEMBER

09:30 – 18:30

V20 Focus Group Meeting: First meeting of the V20 (the Vulnerable Twenty Group) Focus Group Co-Lead Countries. The V20 is a high-level mechanism involving Climate Vulnerable Forum (CVF) Ministers of Finance in dialogue and action to concentrate attention on economic and financial responses to climate change, and foster a significant increase in investments in climate resiliency and low emissions development.

Host: Ethiopia, Chair of the V20

Location: CVF Delegation Space

Registration: by invitation only for CVF / V20 countries

For more information, visit: <http://www.v-20.org/>
